Do you already have cover elsewhere?

Homeowners are advised to check if their existing home insurance provides cover, expert assistance and repairs in the event of the domestic emergencies and incidents covered by this policy.

Who is eligible to apply?

This policy is for landlords only. Retail, commercial and other premises used for business are not eligible for this cover, and council and housing association tenants will not need this service. Mobile homes, bedsits, sub-divided homes and sub-let properties are not covered.

When will I be covered?

For new policyholders, your policy starts the day your application is processed. To prevent claims on pre-existing problems and to keep premiums low, there is an initial exclusion period of 14 days where you will not be covered, giving you 11 and a half months' cover in your first year. For existing policyholders, who are renewing a policy, there is no exclusion period, so long as you renew within 60 days of your expiry date.

Who provides this policy?

The total price you pay is unaffected by these arrangements.

What happens next year?

If you choose to pay by Direct Debit or credit/debit card, excluding Maestro payments, you will receive your new policy documentation in advance of renewal to give you time to reconsider whether the cover is still right for you. If you are happy for your policy to continue it will automatically renew. If you have any queries or do not wish to continue with cover, simply contact HomeServe. If you choose any other method of payment, you will be sent an invitation to renew prior to your renewal date. Prices may increase in subsequent years. If you make any claim on your policy this may affect your future premiums.

How can this policy be cancelled?

If this policy does not provide the cover you need, or you wish to cancel for any other reason, you may cancel your policy by writing to us at the address shown on your policy schedule or contacting us on the customer services number shown on your policy schedule. The date that your policy will be cancelled and the amount of premium that will be due to us or from you will depend on whether (1) you have cancelled within the cancellation period for your policy as shown on your policy schedule; (2) you have made a claim; (3) you pay for your premium monthly, quarterly or annually. Please note that if you have made a claim, your premium will not be refunded in the case of annual payments and in the case of quarterly payments you must continue to make your premium payments for the remainder of the term of your policy.
