### A. KEY QUESTIONS

#### How do I make a claim?

1. If a problem occurs at your property, which may result in a claim, please call the claims number shown on your policy schedule as soon as possible. HomeServe may try to resolve the problem for you by talking you through a simple set of fault finding questions to fix the problem over the telephone. If this is not possible, we will arrange for an engineer to attend your property to assess the problem in accordance with the policy terms and conditions.
2. Claims must be reported by you or a person calling on your behalf. **Please call us as soon as you need to make a claim. We will not be able to cover the costs of any work carried out by persons not authorised by us in advance.**
3. If you have a 'with excess' policy the amount detailed on your policy schedule will need to be paid each time a claim is made. Payment will be taken before we send out an engineer. We can only accept payment using the following cards: MasterCard, Maestro, Visa or Visa Debit. We will then cover the remaining cost of the claim up to the applicable claims limit. Excess payment(s) will be refunded if the claim is cancelled prior to the engineer attending or the engineer does not start any investigative work due to the problem not being covered. However, if investigation is undertaken and the engineer confirms the problem cannot be resolved under the policy, your excess will not be refunded and this will count as a claim towards any claims limit. Where the engineer identifies additional work is required which is not associated to the original problem reported you will need to raise an additional claim(s) and another excess must be paid.
4. You cannot make a claim under your policy during any exclusion period. If applicable, the exclusion period(s) relevant to your policy are set out within your policy schedule.

#### How long is my policy for?

Your policy will continue for the period of twelve months, unless it is cancelled by you or us before then. You have certain rights to cancel your policy, and these are set out below under the heading 'How can I cancel my policy'. Our cancellation rights are also set out below under the headings 'How can HomeServe cancel my policy' and 'What if I miss a payment'.

#### How can I cancel my policy?

If you wish to cancel your policy; you (as the named policy holder) or an authorised representative, must contact us by calling the customer service number or writing to us at our freepost address.

You may cancel your policy at anytime and choose an appropriate cancellation date. Depending on when you cancel and whether you have made an insurance claim, any refund of premium paid to you or premium owed by you may be calculated as follows:

#### **Insurance premium**

Within your cancellation period:

- If you have not made a claim, you will receive a full refund
- If you have made a claim, you will receive a refund less an amount for the number of days you have been on cover

Outside your cancellation period:

- If you have not made a claim, you will receive a refund less an amount for the number of days you have been on cover
- If you have made a claim, you will not receive a refund and must pay any remaining insurance premium due for the term of the policy

If you pay monthly, upon cancellation, we will ask you to choose an appropriate cancellation date to ensure any owed premium payment can be collected. Claims can continue to be made until the cancellation date chosen.

#### How can HomeServe cancel my policy?

The Underwriter (or HomeServe acting on its behalf) may cancel your policy in the following circumstances:

1. by giving you at least 7 days' notice in writing to the last address provided to us:

- a) If you are seriously in breach of the terms of your policy. Examples of a serious breach include: failure to make a payment despite contact from us, or where we reasonably suspect you have submitted a fraudulent claim
  - b) If you or persons associated with your property/policy display unreasonable behaviour towards us, including but not limited to abusive, discriminatory, offensive and/or threatening language or action
  - c) If you fail to provide accurate and complete information in accordance with the Consumer Insurance (Disclosure and Representations) Act 2012 - please see Consumer Insurance Act later in this document
2. in any circumstances stated in the Policy Coverage section

You may have several policies administered through HomeServe. In the future we may wish to consolidate these separate policies into one agreement. This will not affect your cover or your premiums. In such circumstances we reserve the right to cancel one or more of your existing policies and to transfer you to the new agreement. If you do not agree to this please let HomeServe know by calling the Customer Services number shown on your policy schedule.

**What if I miss a payment?**

If you fail to make a payment of premium on the due date, your policy will be suspended and you will not be able to make a claim. HomeServe will notify you in writing within 5 working days of the date on which a payment was due. If you do not pay the requested amount within 30 days of the due date, your policy will cancel. Please see 'How can I cancel my policy' section for your liability to pay any premium to us under the policy. If you want to make a claim under your policy whilst your policy coverage is suspended, you will be required to pay any outstanding premiums before an engineer will be dispatched to your property.

**What if I change address?**

You are responsible for informing HomeServe of a change of your address so that cover can be transferred to your new address. Please telephone us using the number provided with your policy and renewal documents or write to HomeServe at the Freepost address, to advise us of your new address. We will check with you whether your cover is appropriate for your new property before it is transferred.

**What happens at the end of my policy?**

HomeServe will contact you in writing before your policy expires to arrange the renewal of your policy and tell you the renewal premium. Your claims history will be considered when reviewing your renewal premium offer. Adjustments may also be made to reflect the cost of providing the policy and any change in the rate of tax applicable to it. We reserve the right to refuse renewal of any individual policy and we will inform you before your policy expires if we choose to do so. Please check your renewal notice to ensure that all your details are correct. If your policy is set to automatically renew; your policy will continue under your existing payment method and new premium amount. Your cover will continue uninterrupted and you can continue to make claims. If your policy does not automatically renew; we will ask you to contact us in order to continue with your policy and to provide your payment details. If you do not contact us your policy will end and you will not be able to make a claim.

You can change if your policy automatically renews or not at any time during the policy term by calling the Customer Services number, writing to the Freepost address, through your online account or by visiting <http://www.homeserve.com/autorenewal>

**How can I complain?**

Only the named policy holder(s) or an authorised representative can make a formal complaint. If you wish to register a complaint, please contact us in writing at Freepost, RLYC-LXAL-GEEH, Customer Relations Department, HomeServe, Cable Drive, Walsall WS2 7BN or by calling us on the number provided with your policy and renewal documents. Every effort will be made to resolve your complaint to your satisfaction as quickly as possible, but in any event within 8 weeks at the latest. If we cannot resolve your complaint within this time, we will write to you. If you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service ([www.financial-ombudsman.org.uk](http://www.financial-ombudsman.org.uk)). We will give you the information you need to refer your complaint.

Unless stated in the 'What is Covered?' sub-sections of the Policy Coverage section, this policy does not provide you with cover for any damage which may be caused to the property, its contents, fixtures, fittings, floorings or sanitary ware (unless such damage is as a result of our engineer's negligence).
