A. KEY QUESTIONS

How long is my plan for?

Your plan will continue for the period of twelve months, unless it is cancelled by you or us before then. You have certain rights to cancel your plan, and these are set out below under the heading 'How can I cancel my plan?'. Our cancellation rights are also set out below under the headings 'How can HomeServe cancel my plan?' and 'What if I miss a payment?'.

How can I cancel my plan?

If you wish to cancel your plan; you (as the named plan holder) or an authorised representative, must contact us by calling the telephone number provided with your plan and renewal documents or writing to us at our Freepost Address.

You may cancel your plan at any time. Depending whether you have received the service(s) provided under this plan, any refund of the service fee paid to you or owed by you may be calculated as follows:

- We will refund any amount of the service fee you have paid as long as no work has been performed under this agreement.
- If work has been performed under this agreement, you will waive any statutory right to cancel the plan and you will not receive a refund and must pay any remaining outstanding balance due under the agreement.
- If we have been unable to contact you to arrange an appointment. We will make three attempts to contact you to make an appointment after which you there will be no refund. However you can still contact us to arrange for the appointment within the remaining period of your plan.

How can HomeServe cancel my plan?

HomeServe reserves the right to cancel your Boiler Service Plan prior to the service being carried out, by giving you at least 7 days' notice at your last known address. In these circumstances HomeServe will refund the amount of the service fee paid in full.

What if I miss a payment?

If you fail to make a payment of the service fee on the due date, your plan may be suspended and you will not be entitled to any services offered under this plan until you have made the payment due. HomeServe will notify you in writing within 5 working days of the date on which this payment was due. If you do not pay the requested amount within 30 days of the due date, your plan will be cancelled. You will remain liable for any due and outstanding payment for the period up to the date of cancellation.

What if I change address?

You are responsible for informing HomeServe of a change of your address so that your plan can be transferred to your new address. Please telephone us using the number provided with your plan and renewal documents or write to the Freepost Address, to advise us of your new address. We will check with you whether your plan is appropriate for your new property before it is transferred.

What happens at the end of my plan?

HomeServe will contact you in writing before your plan expires to arrange the renewal of your plan and tell you the service fee that would be due. Adjustments may be made to reflect the cost of providing the plan and any change in the rate of tax applicable to it. We reserve the right to refuse renewal of any individual plan and we will inform you before your plan expires if we choose to do so. Please check your renewal notice to ensure that all your details are correct. If your plan is set to automatically renew; your plan will continue under your existing payment method and new service fee. If your plan does not automatically renew; we will ask you to contact us in order to continue with your plan and to provide your payment details. If you do not contact us your plan will end. You can change if your plan automatically renews or not at any time during the plan term by calling the Customer Services number, writing to the Freepost address, through your online account or by visiting www.homeserve.com/autorenewal
