Who is eligible to apply?

This policy is for homeowners only. Retail, commercial and other premises used for business are not eligible for this cover, and council and housing association tenants will not need this service. The property must be your permanent home and owned and solely occupied by you and your family as a private residence with no business use. Mobile homes, bedsits, sub-divided homes and let and sub-let properties are not covered.

The boiler at your property must have a power output of less than 60 KW/hr and be fired by natural gas (and not LPG, electric or oil). Your property must not be heated by dual purpose boilers, a warm air heating system, combination and unvented cylinders or thermal storage units.

Do I already have cover elsewhere?

Homeowners should check if their existing home insurance or other policies provide cover, expert assistance and repairs in the event of the domestic incidents covered by this policy so you are not paying for cover you do not need.

When will I be covered?

For new policy holders, your policy starts the day your application is processed. To prevent claims on existing problems and to keep premiums low, there is an initial exclusion period of 28 days when you will not be covered, giving you 11 months' cover in your first year. For existing policy holders, if you decide to renew your policy before the date of expiry, there will be no exclusion period at renewal.

How can this policy be cancelled?

The cancellation period is 28 days after your policy start date which is inclusive of your 14 day statutory cancellation period. For further details of the cancellation terms, please see the policy terms and conditions.

What happens at the end of the policy period?

Your premium may increase at renewal. In addition, if you make any claim on your policy this may affect your future premiums. You will receive your new policy documentation in advance of renewal to give you time to consider whether the cover is still right for you. If you pay by Direct Debit or credit/debit card, excluding Maestro payments, your cover will automatically renew on the terms in your new policy documents unless you tell HomeServe you do not wish to renew. If you choose any other method of payment you will be sent an invitation to renew prior to your renewal date which will explain how you can renew.
