If it is 7 years old or over then a £200 payment will be made towards its replacement. The claims limit includes the cost of labour, materials and VAT as applicable.

Exclusion period

To prevent claims on existing problems and to keep premiums low, there is an initial exclusion period of 28 days when you will not be covered, giving you 11 months' cover in your first year. For existing policy holders, if you decide to renew your policy before the date of expiry, there will be no exclusion period at renewal.

Excess Amount Payable

You will have to pay the first **£95** of any claim. We can only accept payment using the following cards: MasterCard, Switch Maestro, Visa or Visa Delta. A separate excess payment is required for each claim you make. Please see the policy Terms & Conditions for further details.

Annual Boiler Service

Your policy includes provision for an annual gas boiler service. This is not an element of insurance and therefore is not part of the contract of insurance, underwritten by the underwriter and is not regulated by the FCA. This also means that if you have any complaint relating to this service, you will not have the right to refer the complaint to the Financial Ombudsman Service. We will contact you to arrange for an engineer to service the gas fired boiler to statutory requirements, manufacturer's recommendations and relevant codes of practice. Boiler services are normally undertaken Monday to Friday, 9am to 5pm, between April and September

Who is eligible for the policy?

This policy is for homeowners only. Retail, commercial and other premises used for business are not eligible for this cover, and council and housing association tenants will not need this service. The property must be your permanent home and owned and solely occupied by you and your family as a private residence with no business use. Mobile homes, bedsits, sub-divided homes and let and sub-let properties are not covered.

The boiler at your property must have a power output of less than 60 KW/hr and be fired by natural gas (and not LPG, electric or oil). Your property must not be heated by dual purpose boilers, a warm air heating system, combination and unvented cylinders or thermal storage units.

When will I be covered?

For new policy holders, your policy starts the day your application is processed; you would then be able to make a claim following the exclusion period.

You will receive a refund of your premium as long as you have not made any claims. If you cancel after this 28 day period please refer to your Policy Documents for the Terms & Conditions that apply.

HomeServe may cancel this policy by giving you at least 7 days' notice in writing to the last address provided to us if you are seriously in breach of the terms of your policy. Examples of a serious breach include: if you submit a fraudulent claim or if you use threatening or abusive behaviour towards our engineers or staff. If we cancel the policy, we will refund the premium paid for the rest of the current period of cover, unless a claim has been made. We can refuse to renew any individual policy. For the full description of the cancellation rights, please see the policy Terms & Conditions.

What happens at the end of the policy period?

Your premium may increase at renewal. In addition, if you make any claim on your policy this may affect your future premiums. You will receive your new policy documentation in advance of renewal to give you time to consider whether the cover is still right for you. If you pay by Direct Debit or credit/debit card, excluding Maestro payments, your cover will automatically renew on the terms in your new policy documents unless you tell HomeServe you do not wish to renew. If you choose any other method of payment you will be sent an invitation to renew prior to your renewal date which will explain how you can renew.
